12 Respondent.

13 **AFFIDAVIT OF ALEXANDER M. FALCONI**

14 I, Alexander M. Falconi, do hereby solemnly swear under penalty of perjury as
15 follows:

- 16 1. That I am over the age of 18 and a party to this action; and,
- 17 2. That I am a software engineering intern with extensive experience in web
18 applications development; and,
- 19 3. That I prepared, at the direction of Mr. John C. Hope, Esq., a website under
20 the domain name www.johnchopejrforjudge.com; and,
- 21 4. That the purpose of www.johnchopejrforjudge.com was to support the judicial
22 campaign of John C. Hope, Jr., Esq. for the Nevada 2014 elections, specifically, for the
23 Second Judicial District Court, Department 11; and,
- 24 5. That the content of www.johnchopejrforjudge.com was entirely dictated by
25 John C. Hope, Jr., Esq., and copied **verbatim** via electronic mail communications and
26 handwritten designs; and,
- 27 6. That the opinions, statistics, and writings displayed on
28

1 [REDACTED] were entirely the opinions of John C. Hope, Jr., and that
2 [REDACTED] provided design and feature implementation; and,
3 [REDACTED] Falconi, also completed a second, personal project; a

18 11. That I nevertheless gave all due respect and consideration to the
19 communication from Ms. Dani Denton challenging case #DV91-256 as posted to The
20 Profile on the basis that Weller was not elected at the time (Exhibit 1); and,

21 12. That I nevertheless gave all due respect and consideration to the
22 communication from Mr. Scott Baez challenging case #DV91-256 as posted to The
23 Profile on the basis that Weller was not elected at the time (Exhibit 2); and,

24 13. That we never reached an impasse regarding the issue, but rather, Mr. Scott
25 Baez and Ms. Dani Denton failed to get back to me regarding the documentation they
26 were going to provide and I assumed the case to be valid; and,

27 14. That on July 9, 2014, alarmed by the manner in which my credibility was
28 being impugned by Weller's July 7, 2014 Recusal order, I contacted an attorney with

1 experience in the court system who clarified that Department 11 did not exist at the
 2 time the #DV91-256 case was appealed, and that it was likely dropped into
 3 Department when cases were being rotated into Department 11 after the department
 4 was created; based on this information, I removed the #DV91-256 case from Weller's
 5 Profile; and,

6 15. That had a dialogue continued with Ms. Denton and/or Mr. Baez it is likely
 7 this information would have come to light and Weller's Profile would have been
 8 corrected immediately; and,

9 16. That I received communications from several candidates and judges,
 10 including District Judge Rob Bare and Speaker of the Assembly William Horne, and
 11 that all candidates and judges were treated with the same respect and consideration
 12 afforded to Weller's apparent campaign operatives, and that it was never the intention
 13 of www.ournevadajudges.com to disparage or impugn Weller.

14 EXECUTED THIS 14 day of JULY, 2014.
