ALEXANDER FALCONI d.b.a.
OUR NEVADA JUDGES,

Petitioner,

VS.

Supreme Court Case: 84947

CLARK COUNTY EIGHTH
JUDICIAL DISTRICT COURT,

Respondent.

**PROPOSED INTERVENOR JUSTIN MARTIN'S
NOTICE OF INTENT TO SEEK INTERVENTION**

COMES NOW JUSTIN MARTIN, Intervenor & Real Party in Interest as a Pro
Se Litigant ("Martin"), heretofore respectfully submits this NOTICE as follows:

1. Martin hereby provides notice of his intent to move for leave of court to
intervene in this matter as Alexander Falconi d.b.a. Our Nevada Judges
("Petitioner") is seeking relief pursuant to NRS 34.330 and NRS 30.030
(the Uniform Declaratory Judgments Act); it is appropriate for Martin to
seek intervention at this time.
2. Petitioner is a non-party interloper in Martin's District Court Family
Division Case No. D-19-600476-C. Said Petitioner has become the primary
litigant in the Family Court case, seeking to UNSEAL said case. Petitioner
has solemnly sworn to withdraw from the lower Family Court case, subject

Only to the Writ Petition being denied. (See attached **EXHIBIT A**)

AUG 10 2022

ELIZABETH A. BROWN
CLERK OF SUPREME COURT
DEPUTY CLERK

22-25073

- 1 3. Martin believes he is also a REAL PARTY IN INTEREST, as the Clark
2 County Eighth Judicial District Court (“Respondent”) will be in effect
3 representing and thereby defending Martin’s interest in the matter of sealed
4 domestic matters cases, as briefed in the Writ Petition submitted by
5 Petitioner.
6
7
8 4. Martin, as a Pro Se Litigant in the lower Family Court case, cannot
9 necessarily afford to expend time and resources into legal folly. However,
10 Petitioner will clearly not ever relent, and now solely relies on this higher
11 Court ruling favorably upon his writ. Thus, Martin submits this notice
12 pending his preparation of his Motion Seeking Intervention.
13
14
15 5. Finally, Martin preemptively requests invitation to participate as AMICUS
16 SUPPORT for Respondent, pursuant to NRAP 21(b)(3).
17
18 6. Martin has notified Petitioner, Respondent, Las Vegas Review-Journal, and
19 Ali Shahrokhi & T. Matthew Phillips of this Notice of Intent.

Re: *Our Nevada Judges vs. Eighth Jud. Dist. Ct.*, Supreme Court docket no. 84947

I appreciate your patience with regards to the motion practice on the issue of unsealing in this matter. Defendant has cited a number of statutes and rules that implicate the right of the public to access domestic relations matters, as well as the role of the press in domestic relations matters, and the constitutionality of statutes and rules that interfere with coverage and public access to domestic relations matters.

I authorized the filing of a lawsuit against the Eighth Judicial District Court over the promulgation of these rules, for which the American Civil Liberties Union is representing me. Questions as to the status and effect of the original writ petition should be directed to Legal Director Chris Peterson and Attorney Sophia Romero.

I will continue to monitor this case as an unrepresented news reporter. Should the Supreme Court decline to intervene on this matter, I will automatically withdraw any pending request to provide electronic coverage of these proceedings, as well as any request to maintain the unsealed status of the docket and its filings.

Sincerely,

Alexander M. Falconi
